

Driving event revenue for destinations

The Knowland Platform the #1 Market Intelligence Tool for CVBs

Knowland offers the most trusted database of actualized group events for smarter, simpler destination marketing. We make it easier than ever to attract groups, drive occupancy for local hotels, and grow local revenue.

Top CVBs trust Knowland solutions to help them:

- » **Understand market demand** and identify opportunities with destination intelligence.
- » **Track competitors and booking trends** to shift share from competitive markets to yours.
- » **Attract group business** and large-scale events to your destination with custom reports.
- » **Boost overall market activity** with strategic insights and connect with event planners.
- » **Find the best accounts** to fill convention centers and drive events to your area.
- » **See how events are actualizing** in hotels to inform destination management.

The Ultimate Toolkit for Destination Marketing

“

Knowland has helped us attract more group tourism to our city than ever before!

— National Account Sales Manager,
East Coast Visitor Bureau
